

SUPPLIER DECLARATION

On the radioactivity of steels

issued by

Rittal GmbH & Co. KG

Auf dem Stützelberg
D-35745 Herborn

Rittal delivers various products with base material steel / stainless steel. Especially with the recent publications of the possibility, that steel might be contaminated, we checked all our sources for compliance with the international guidelines.

To this end, all our suppliers have confirmed that this aspect of radiological level is under careful scrutiny.

We herewith declare that our products are conform with the valid laws and regulations.
